Cassiopeia Dolce

Hi~ go by back to doooge
a Doll Meister
Olga Black
The co-manager of Cassiopeia. She refers to herself using "Boku." She seems strong-minded and boyish, is that why she likes girls?
Elsa
The manager of Cassiopeia. At first glance, she's so beautiful she can be mistaken for a doll. She is a naturally calm type.
Anna Molmoque
She came to Cassiopeia to become an apprentice Doll Meister. She really likes dolls and has an optimistic personality.

The story so far

Anna Molmoque, the heroine of the story, has become a Doll Meister apprentice (Dolce), something she's admired ever since she was small. Excited, she was taken to by Dollhouse Cassiopeia, but the place is filled with people who are a little strange.

Looked after by the manager Elsa Valeria and fellow members Olga Black, Anna witnessed the two kissing!! Olga was just waking up the sleeping Elsa with a kiss, but it was the first time Anna saw two girls kissing, so she was surprised.

After that, when Anna had to get measurements taken for her uniform, Olga touched her breasts. Then, at the welcoming party, she had a light kiss with a drunk Elsa, and after that, a deep kiss with Olga. (Of course, this was Anna's first kiss.) This was a very big and troublesome event! Also, on her first day, Anna didn't get to help out in any tasks. Was that really ok?

At the start of Anna's new life, she was surrounded by people who were a little weird and it doesn't seem like the days are going to be peaceful... and her virtue might be in trouble, but she's the serious and earnest Anna, surely she will try her best to become a wonderful Doll Meister!! Looking forward to learning from the beautiful Elsa-san Elsa, and dreaming to become a Meister, Anna will fight and not give up!!

Is this a peaceful breakfast!?
